TWO BROTHERS G. A. R. COMMANDERS IN DIFFERENT STATES

From J. G. Lankester, Jasper, commander of Post 53, G. A. R., we are in receipt of the following clipping relative to the election of officers of Lyon Post, G. A. R., London, Ohio, of which his brother, C. J. Lankester, is commander:

Lyon Post, Grand Army of the Republic, elected the following officers Thursday night: Commander, C. J. Lankester; S. V. C., Silas Finley; J. V. C., J. M. Withrow; quartermaster, T. W. Preston; chaplain, S. H. Edwards; O. D., George Hudnell; sergeant-at-arms, Gus Paine; guard, John Reed.

Mr. Lankester says:

"Enclosed find clipping from the London Enterprise, published in London, Ohio. It is in regard to my brother being elected commander of Lyon Post, G. A. R. This is the second time he has been elected. I doubt if there is a similar circumstance in the United States where two brothers living in different states are commanders of Grand Army posts."

Camp Dix, N. J.

Special to the News.

I have been out of camp a few days and have failed to write to the "Old Reliable."

We are having some very cold weather and it rains most of the time.

The crops don't seem to be very good here this year, but the farmers seem to be in good heart and are preparing for another crop next year.

I am proud to hear of Jasper's coming to life and to hear of the improvements that are being made in the town. It takes a live bunch of men to make a town, and I believe Jasper has them now.

I sure do miss "Lone Star's" letters since he quit writing. I have read his letters for a number of years and sure did enjoy them.

Pvt. Jerry Holloway, of the 28th Inf. Co. M., is getting ready to take a furlough. He is going to visit his home in Jasper, and we expect to get all the news from there when he gets back.

Pvt. Henry A. Faught, of Co. M., 26th Inf., seems to be all smiles after getting a letter from his best girl.

Pvt. Cay W. Quarles, of Co. M., 26th Inf., better known as "M. Company Monkey", seems to be all smiles today after getting a letter from his first school teacher. She got his address from the News.

If it wasn't for "M. Company Monkey" we all would have the blues, but he keeps up life in the camp all the time. He is sure full of fun.

Come on, Richard City, I sure do enjoy your letters.

I hope Mell Lawson, of Jasper, will succeed in getting his girl for a Christmas doll. She will make you a sweet little doll, Lawson.

I hope all the writers will wake up and help the editor out, as he can't make the paper by himself.

New School Buildings.

Jasper, Dec. 12.—A meeting was held at the Court House on Tuesday of last week, relative to some new school buildings in the county. A very enthusiastic meeting was held and talks made by several citizens. A committee was appointed to investigate the situation and make recommendations as to needs and methods of financing such an undertaking.

Santa Claus

Beyond the ocean many a mile,

And many a year ago,

There lived a wonderful queer old man

In a wonderful house of snow;

And every little boy and girl,

As Christmas times arrive,

No doubt will be very glad to hear

The old man is still alive.

In his house upon the top of a hill

And almost out of sight,

He keeps a great many elves at work,

All working with all their might

To make a million of pretty things,

Cakes, sugar-plums and toys,

To fill the stockings, hung up, you know,

By little girls and boys.

MACON, GA.

Special to the News.

Please allow me space in the good old News. I am very lonesome when I fail to get the News on time. I will give you a few dots about how everything is here in this part of the world. Most everything here has shut down, and what hasn't shut down is only running half time, but thank the Lord, the Case-Fowler Lumber Co. is running 5½ days a week and I have more work than I can do. It is sure work, work six days a week and then work Sunday too. But I think that times will get better in a short while, or at least hope for better times anyway, as our side will have something to say before long, so I am in good hopes for better times anyway.

I will try to give you a few dots about the high cost of living. Flour was \$2.25 a 24-lb sack, but now it only costs from \$1.40 to \$1.75 per 24-lb sack. Sugar got as high as 30c a pound, and we could only buy two pounds at a time, but now we can buy sugar at 9c a pound.

Mrs. Lottie McClanahan and Mrs. Docia Myers went to Macon Saturday shopping and we think they were looking over the city.

What has become of E. E. Brewer as I haven't heard of his catching any coons this winter. Well, I don't guess we will get to kill any hogs here for it is summer here, but we have had some frost here, but you don't need any overcoat unless it gets colder than it has been so far.

I will ring of for this time and if you will allow me space in your paper again I will come again. Wishing the editor and the News a good Christmas and prosperous New Year I remain.

SHERIFF SEARCHES; GROVER C. PRICE CHAUFFER SCOOTS VICTIM OF WAR

Sheriff Coppinger, of Jasper, had an exciting experience with pistolshooters last week. Some parties going to South Pittsburg let off a volley of shots when rounding the corner at hardware store. The sheriff heard the shots and telephoned to a deputy at South Pittsburg to watch for parties, he, himself getting in a car and following.

At South Pittsburg the sheriff found his crowd under the surveillance of his deputy, and he applied to Squire McReynolds for the right to search them without a warrant. The Squire said he would be only too glad to give him this right, and he would back him up in anything he did. However, search disclosed no guns. The deputy was then sent to the car to search it, but the driver scenting trouble applied power and scooted for safety.

But the number of the car, which was from Whitwell, was taken and its owner is known, and the grand jury is going to do a little investigating in the matter.

Services at Baptist Church

EGGS GET ADVANTAGE OF CORN IN PRICE

Hickman, Ky., Dec. 8.—While corn and cotton have taken a big slump, eggs remain supreme and command the same old high price. One dozen eggs in Hickman today have the same value as 1½ bushels of corn according to the price that is being paid for corn just west to town and along the C. M. & G. Railroad.

Eggs are bringing 75c a dozen and corn 50c a bushel, so it takes 1½ bushels of corn today to equal the price of the dozen eggs. Years ago corn was as low as fifty cents a bushel but at that time eggs were selling three dozen for 25c, and the price considered good at that.
